## Phone Call Scripts for O's for Second and Third Voter Contact

### Phone call Scripts for O's (create your own script using some of these ideas)

If your contact answers the phone:

Hi, My name is \*\*\* \*\*\*. Is this \_\_\_\_\_? (I am calling from \_\_\_\_\_ and) (I live in Tucson and)

Did you get the postcard I sent?

I sent the card to introduce myself. I am a TAGG volunteer in this neighborhood & have a little bit of info to share with you. Is that ok?

(TAGG is The AZ Ground Game; a Tucson grassroots voter education group.)

I volunteered because it can't be any clearer that this year's election is critical for restoring good government & we are in a mess.

OR

(If you are from out of town.) I volunteered because what happens in Arizona's election directly affects all of us around the country.

1. Have you filled out your Census yet? You can do this online: [my2020census.gov](http://my2020census.gov)
2. Are you familiar with what will be on the ballot this year?
3. We will have a few propositions on it, not sure yet all of them but, possibly Marijuana, Health Care & Fair Elections. The Invest in Ed may not make it. Are you familiar with any of these propositions? More info is on the website: [azgroundgame.org/project11](http://azgroundgame.org/project11). I can text that to you if you like.
4. Renewable energy for AZ is on the ballot too . . .The AZ Corporation Commission. Vote for the 3 D's
5. I am a strong supporter of (you choose 2 issues) Public Education, Fair Taxes, Voting Rights, Reproductive Rights, Fair wages and especially High Quality, Affordable Health Care
6. I feel that we deserve better as a community and the only way we get there is by electing people who believe their job is to represent us not themselves or the wealthy.

Again, my name is \_\_\_\_\_ and my number is \_\_\_\_\_. If you have any questions at all, please call me anytime. If I don't know the answer, I will find out for you. The Website: [AZGroundGame.org/Project11](http://AZGroundGame.org/Project11) has a lot of good info.

Thank you so much for your time today.

### If no one answers, this is a nice short message:
