Postcard Message for 2nd and 3rd Voter Contact

Project 11 packet includes the names and contact information for:

1. Newly registered in LD11 **Dems & 'O's** ('O' means 'Other' in AZ. An 'O' is someone registered to vote but not registered as a Democrat or Republican)
2. Dems who didn't vote (~~chose not to~~~~moved~~~~or died~~) They didn't vote in 2018 but, were registered to vote.

Easiest way to start is to **highlight** all the **Dems** in your packet who are on **NOT on PEVL**.

To ALL Dems that aren't on PEVL:

1. Write a personal message. A simple- sample postcard msg below.
2. Then, write this message **on bottom of card & draw an arrow to the website:**

Vote safely from home. Here's how

...or print out sticky labels with this info...see postcard doc for sample of how labels can look.

Sample postcard message to Everyone in your packet: (many more samples on the additional postcard doc)

Greetings! (or Dear.... _____ (first name of person you are writing to),

I believe that the only thing preventing us from having a better future is the belief that 'it doesn't matter' who is elected to office.... reducing our voter turnout.

AZ is 49th in Education and 1st in incarceration rates. Our taxes unfairly give breaks to the rich and our roads are falling apart. This is directly due to who is currently elected to office.

We can fix this! Your vote is powerful. It can restore decency and good government.

Thank you for being a voter.

I am a TAGG Volunteer in this neighborhood. I'll call soon.

In good health, (your full name) (your phone number or use one of the TAGG Team leads #)

This is a sample of a postcard written by a Hawaiian volunteer.

They printed their own postcards with our web info printed directly on the card.

Choose an interesting postcard. If you have one that is indicative of the state you live in, that is best!

When you write, please cross over the middle line...it is more personal that way.

Dear _____,

I find myself asking, "What the heck happened to AZ over the last 25 years?" We are 49th in the country in Education. We have the highest incarceration rates and our roads are falling apart.

This does not have to be this way and we can use our vote to change this.

Voting for Mark Kelly brings common sense to our Government... and our local candidates directly affect our schools, our health care, taxes, jobs...

This is the first time I will be voting a 'Single-Shot' that means I am only voting for one candidate for House: Dr. Perez and one for Senate: JoAnna Mendoza.

Ask me about 'Single-shot'

I am a TAGG Volunteer in this area through November. I'd love to talk with you. (Name) 123-456-7890

"The best way to predict our future is to choose it."

I've worked & volunteered in Tucson for over 40 years. I love my community and the friendships made. Seeing the direct effect that the current on valley AZ Legislators have had by giving tax breaks to corporations, not funding our schools, not supporting renewable energy, thinking guns are more valuable than our children has demotivated my resolve to do anything to elect new people to office.

Your vote is power!!

I hope to talk to you about our election choices.

Sincerely, Tomara Rala 520-909-2979

AZGRANDGAME.ORG/Project11

I am working to make sure that we all have an informed vote. Living in Tucson for 40 years and seeing the direct effect our local leaders have on our lives, has cemented my resolve to help elect leaders who support Public Education, Renewable Energy, better affordable Health Care, livable wage and so much more.

Your vote is power!!

Thank you for voting!

Dear Judith,

I hope this note finds you The Butchart Gardens well. I am reaching out Victoria BC Canada today as a volunteer w/ the AZ Grand Game.

I've raised my family, worked & volunteered in this community since the 80's.

Our Public Schools are worse off now than when my kids were in school.

Our corporations benefit w/ tax-give away that we don't benefit from.

It is hard to find good paying jobs.

I imagine a future better and more just.

Our elections have direct consequences to our lives. Your vote is powerful.

If you would like to talk about the primary my # 520-909-2979

THE ROSE GARDEN

A blue and white curtain of Pacific Giant delphiniums provides a backdrop to prize winning roses. Other gardens in the estate include a Japanese garden, a formal Italian garden and the Surken Garden in a depleted limestone quarry. Visitors are welcomed every day of the year.
