1. PEVL reminder. If they are not registered to vote by mail, encourage to do so. Link to: [Important Dates](#)
 2. Remind PEVL voters that their ballot will arrive around October 10th. It is a green envelope. They MUST fill out the ballot and mail back immediately due to the shenanigans going on with the Post Office.
 3. The importance of their vote nationally/ locally. Any critical issue is directly affected by this election.
 4. We have a choice: to elect leaders who have integrity, who believe in Science and Public education & Fairness or those that have no respect for others...no concern to make this world a better place.
